ADMIRALTY,  
WHITEHALL.

Dear Miss Mason.

I have this morning received the  
last of the acceptances. The teachers are  
by them - I have not had a single  
refusal. Overleaf I give the names  
addresses of those who are coming.

I have been spending the week-end  
with Mr Holmes. He took the liveliest  
interest in our proposed conference & asked  
me to say how sorry he was not  
to be able to attend. As you have  
probably seen, he has been appointed
